

Year 5 Music - Solar System

Bridge	A passage of music that links two sections of music together
Chorus	The part of a song which repeats between the verses
Crescendo	Getting louder
Diminuendo	Getting quieter
Duration	The word used in music to refer to the length of a sound or silence
Dynamics	The loudness of the music, usually described in terms of loud/quiet
Melodic Ostinato	A short rhythmic or melodic pattern which is repeated over and over
Pitch	Refers to the complete range of sounds in a piece of music from the lowest to the highest
Rhythm	Patterns of long and short sounds played within a steady beat
Structure	Most music is underpinned by a structure which may be as simple as beginning, middle and end
Tempo / Tempi	The speed at which music is performed, usually described in terms of fast/slow
Texture	Layers of sound, such as those created by a melody accompanied by a drum beat
Timbre	All instruments, including voices, have a particular sound quality which is referred to as timbre, eg squeaky
Verse	The section of a song which generally 'tells the story'

In this unit, you will be:

- Listening to music and analysing its composition using musical vocabulary.
- Relating sound sequences to images
- Interpreting images to create descriptive sound sequences
- Develop the use of dynamics in a song
- Learning melodic ostinato using staff notation
- Developing techniques of performing rap using texture and rhythm
- Learning a song with a complex structure.
- Learning about the sound of the whole tone scale.
- Performing a song with expression and with attention to tone and phrasing.
- Creating a musical background to accompany a poem.
- Creating and presenting a performance of song, music and poetry.
