

# I'm Moving to Early Years

St Edmund's Pre-school -  
Transition to School Story Book

I can go to the toilet and wash my hands in the bathroom.

I will dry my hands under the warm-air dryer.

I will hang my coat and my bag here. I will put my packed lunch box in the trolley.

I will play in the shop and learn about numbers.

I will play in the tuff tray and tell adventure stories.

At lunch-time, I will go with my new friends, through the blue gate.

We will have our lunch in the school hall with the rest of the big children.

I will sit on the carpet to listen to the teacher and talk when it's 'pit stop' time.

I will listen to the other children and wait until it is my turn to talk about what I've been playing with.

I will play in the outdoor learning area in the morning and afternoon too.

I can climb and balance in the outdoor learning area.  
I'm excited, I'm going to be going to school very soon. I can't wait!
