Important Information

Please ensure that your child has a raincoat everyday in school whatever the weather as we go outside during the day even if it is raining.

Home Learning

As part of continuing with our story of The Three Billy Goats Gruff. We would like you to have a go at making a raft for the goats to cross the river rather than use the bridge. You can use any resources you like. Can you add a sail? Maybe you could test your raft in a bowl of water, or in the sink and see if it floats? Please could send us a picture on Tapestry of your raft experiment to share with the class.

This week's phonics focus:
