Find the tch sounds and underline them.

Can you sketch a rabbit's hutch?

Or cook a batch of tomato ketchup?

Can you say 'hello' in Dutch?

Can you get out of a ditch?

Make a spell like a wicked witch?

Or kick a football to the end of a pitch?

Can you stitch without a needle and thread?

Scratch an itch on a giant's head?

Or stretch your feet to the end of your bed?
