O:\Letters & Trips\Music\Instrumental tuition Guitar cont.doc

8th June 2023

Dear Parents,

Guitar Tuition in Year 6

I hope your child has enjoyed the guitar tuition this year. We are planning next term's lessons and would be grateful if you could let us know if your child wishes to continue. We cannot yet confirm the name of the teacher or the day these will be taking place.

The lessons will take place in school time for 20 minutes per week in small groups at a cost of £150 per year for 3 sets of 10 lessons. They will be expected to practise regularly, remember to bring their instrument and music each week and take part in school performances. You would be expected to support them in this. Please note: If children decide during the year not to continue then payment in full is still required as we are charged for the year regardless of whether they continue to the end of the year.

Please find attached a sign-up form; a terms and conditions document which details the commitment required from you and your child can be found overleaf. If you wish your child to continue with lessons please complete and return the form by Friday 30th June.

Yours sincerely,

Maria Kemble
Headteacher
