

# Miss Duchesne's One Page Profile

## What I would like you to know about me.

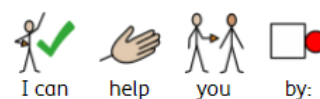

- I have two Labradors and I enjoy taking them on long walks (they like sleeping on the sofa)!
- I like spending time outside particularly in my garden.
- I wear glasses.
- I always wear a scarf in the winter because I get very cold.

## Something I find tricky is...

Drawing, I try really hard but I'm not very artistic and I tend to use stick people!

## I can help you by...

- Explaining things in different ways and using pictures and diagrams to help.
- Listening to you.
- Making sure you have a happy learning environment.
