

Ms Harris' One Page Profile

What I would like you to know about me.

- I like to keep fit
- I enjoy gardening, even in the rain
- I am proud to be Scottish
- I enjoy cooking but I'm not very good at it!

Something I find tricky is...

Remembering where I have left my spectacles in the classroom

I can help you by...

- going over the tricky bits in our learning - building posters to remind us.
- Listening to you and trying to help you find strategies that work for you.
- Understanding that sometimes juggling friendships and learning can be tough.
