

Miss Maran's One Page Profile

What I would like you to know about me.

- I love music and especially musical theatre.
- I like arts and crafts; at home I am always making something new.
- I love going on adventures and exploring new places.
- I have a rabbit called Yoda.

Something I find tricky is...

Being inactive for long periods of time, I like to keep busy and be on my feet.

I can help you by...

- Listening to you and helping with difficulties you might have.
- Making school time a creative and a fun experience.
- Providing smiles and comfort.
