Dear parents/carers,

Last year, as a school, we moved to using a new scheme of work for the teaching of Art, produced by 'Kapow Primary.'

This year we will begin to use Kapow for our Design and Technology teaching. As with Art, the reason for this move is to provide better progression of skills, improved end products and more food preparation content. Lessons will also introduce the children to using new tools and equipment.

In order to make this change as successful as possible, we are again asking for a voluntary donation of £5 per child. This will allow us to fund new materials and resources that will make all of these exciting changes and learning opportunities possible.

Many thanks for your support

Emma Ruane
