

Mrs Rowe's One Page Profile

What I would like you to know about me.

- I enjoy adventures like skydiving, wing walking, zorbing and zip wires!
- I wear odd socks.
- I love celebrating birthdays, Christmas and special occasions.
- I enjoy playing the piano and singing.
- My favourite subject is art, I really like sewing, painting, drawing and making things.

Something I find tricky is...

- Being near dogs, I get very scared of them. It makes me feel worried if I think they are going to touch me.

I can help you by...

- Making learning fun and creating happy school experiences.
- Helping you find something positive when things feel tricky.
- Praying for you, helping you know that you are special and loved.
