

Miss Kocemba's One Page Profile

What I would like you to know about me.

- I have a twin sister and an older brother.
- I have a son who is in year 2 as well!
- I love coffee, going to the cinema and running.
- My favourite subjects are biology and PE.
- I recently got into Harry Potter, but my favourite book is Jane Eyre.

Something I find tricky is...

Remembering the correct spellings for words.

I can get overwhelmed quite easily and can be quite forgetful and clumsy!

I can help you by...

- Being friendly and caring.
- Doing my best to help you with tricky things.
- Helping you to feel safe.
