

Mrs Dowd's One Page Profile

What I would like you to know about me.

- I am a mum to Chloe (Aged 6) and Oscar (Aged 4).
- I love spending time with my family and our 3 golden labradors- Lexi, Toby and Tinker.
- We love going away in the caravan to see new places.
- I have 2 sisters- one who is also my twin.
- My favourite subjects are maths and science- especially problem solving.

Things I find tricky are...

Spelling tricky words- I find it helpful to see them written down first.
Finding time for myself.

I can help you by...

- Putting learning into real life contexts to help you understand why we are learning new things and how we might use them.
- Encouraging you to always try your best and have fun.
- Always being there to listen and find different strategies to help.
